Course Outline

This package includes these courses

- Adobe Photoshop Bootcamp (18 Hours)
- Photoshop Advanced Retouching (18 Hours)

This package also includes three hours of private training, the Adobe Certified Professional exam for Photoshop, and proctoring for the exam. Schedule the private training and exam after you complete the group classes.

Adobe Photoshop Bootcamp

- Learn to retouch photos, create graphics, and more.
- Improve your images by adjusting color, contrast, and more.
- Learn how to prepare images for use on the web, videos, or in print.

Photoshop Advanced Retouching

- Learn to make complex selections.
- Advanced color correction and masking techniques give you more precise control over your image.
- Learn color management to improve color accuracy for output.
